In compliance with the directives of the Hon'ble Supreme Court of India issued in SUO MOTO WRIT PETITION (CIVIL) NO. 5, dated 07-11-2025, in the matter titled "*City Hounded by Strays, Kids Pay Price,*" and in pursuance of the instructions received from the DHE, Assam, **all students, staff, and visitors are hereby notified of the following mandatory safety measures to prevent stray dog-related incidents within the college premises.**

Recent incidents reported across the State and the country have highlighted a concerning rise in stray dog attacks within educational institutions. To safeguard the health and security of everyone on campus, the following guidelines must be strictly adhered to:

All students and staff are hereby directed:

1. Do NOT feed stray dogs anywhere inside the campus.
2. Avoid approaching, touching, or provoking stray animals under any circumstances.
3. Immediately report any sighting of aggressive stray dogs to the Town Committee Office.
4. Keep the campus clean by disposing of food waste only in designated dustbins.
5. Refrain from leaving food items in open spaces, as this attracts stray animals.
6. In case of any dog-bite incident, immediately seek first aid, inform the college authorities, and proceed to the nearest PHC/Government Hospital for Anti-Rabies Vaccine (ARV) and Post-Exposure Prophylaxis (PEP).
